***AgileSurvey*[™] - Partnership between Agility Consulting & Training and Zoomerang[™]**

Greensboro, North Carolina – Local management consultant, Nick Horney, has announced that Agility Consulting & Training (ACT) has partnered with Zoomerang[™], a leading on-line survey tool, to allow small and medium sized businesses to easily conduct professional-grade surveys that are both easy-to-use and affordable. Customized surveys to measure customer satisfaction, loyalty, employee satisfaction, organizational culture and training evaluation. In addition, ACT has custom-designed 360° surveys for consultants and Human Resources professional to use with Executive Coaching and individual development.

Organizations are often faced with deciding how to quickly and cost-effectively collect information from their customers, employees and partners for use in decision-making. The product, *AgileSurvey*[™], offers both a customizable survey product and service that lets clients capture data on their own time schedule via the Internet through their website or targeted e-mails.

ACT offers a variety of purchase options from a customized survey and analysis to training your organization to use the Zoomerang software.

Agility Consulting & Training, LLC is a global provider of consulting services, training and products to individuals, teams and organizations that are faced with the challenge of becoming focused, fast and flexible.
